

Impact cannot  
happen in isolation.

It requires  
collective action.

We believe a better world evolves through  
the combined accomplishments of  
compassionate, creative and committed  
individuals focused on a common purpose.

From Amsterdam to Johannesburg, Singapore  
to San Francisco – we provide access to  
spaces, resources, connections, knowledge,  
talent and investments to turn ideas into  
action and move from intention to impact.

What began as a single location 2005 has evolved  
into a collaborative global community that  
now inspires, connects and enables people  
across the world to sustainably impact society.

The logo for Impact Hub is presented in a hand-drawn, sketchy style. The word "IMPACT" is on the top line and "HUB" is on the bottom line. The letters are filled with a dense, diagonal hatching pattern, giving them a textured, three-dimensional appearance. The entire logo is set against a dark, solid background within a white rectangular border.
